~ continued
Return on Investment
~ continued

- Property management fees
- Utilities
- Other

HINT: if existing investor property, ask for recent monthly statements.

Seller

☐ Name
☐ Business
☐ Address
☐ Address
☐ Email
☐ Phone number
☐ How long they’ve owned the property
☐ Why are they selling

Turnkey Providers

This should be a discussion around their approach and history

☐ How long they have been in business
☐ How they started selling turnkey
☐ How many properties they turn a month
☐ Who does the renovation (own crew/contract)
☐ Provide a breakdown of work completed
☐ Any warranty on the work completed
☐ Permits used or city inspections
☐ Yelp rating / Better Business Bureau
☐ Two or three investor references
Property Condition

HINT: Most of these questions can be answered by a good independent inspection report. Take notes on age and condition of major parts of the structure and mechanicals in your property and have a live 5-10 minute chat on the phone with the inspector after you receive your report. Ask them what their big concerns and recommendations are. You will get the must fix items from this discussion as their reports tend to be very long.

- Inspection report completed

**Structure**
- Street address
- Dwelling square feet
- Building type (condo, single family, etc.)
- Number of bedrooms
- Number of bathrooms
- Number of floors
- Age of structure
- Garage size, location and condition
- Condition of foundation
- Any additions made or permitted
- Windows type (wood, aluminum, vinyl)
- Other rooms the building has

**Roof**
- Roof age and condition
- Roof type (asphalt, wood shakes, tile)
- Recent repairs or known roof defects

**Plumbing**
- Water supply source (city, septic tank)
- Type of pipes (copper, lead, PVC)
- Any water problems (pressure, leaks, drainage, sewer)
- Type of pipes (copper, lead, PVC)
## Property Condition

### Plumbing – cont.
- Condition of plumbing
- Presence/condition of landscape sprinklers

### Electrical
- Wiring type and voltage
- Condition of wiring
- GFI needed/installed in kitchen and bathroom

### Mechanicals
- Heating system type (gas/electrical)
- Heating/furnace location and age
- Date of last service or inspection
- Is there A/C? Type, location and age
- Date of last A/C inspection
- Any known Heating/AC defects
- Water heater age, capacity and location

### Interior
- Alarm system present (owned/leased)
- Kitchen appliances
- Room furniture inventory (window, blinds)
- Fireplace type and operation
- Date fireplace last cleaned
- Type of flooring and age and condition
- Fireplace type and operation
- Date fireplace last cleaned
Property Management and Tenants

**Property Managers**

- How long has the company been in business
- Who are the owners of the company
- Owners involved in the day-to-day operations
- Affiliated and/or owned by another company
- How many employees do they have
- Are employees full-time staff or temporary
- Average tenure of an employee
- How many properties do they manage now
- How many in the past (growing/declining)
- Who does the leasing
- How do they market and advertise
- What are local vacancy rates
- Do they work with section 8
- What is their screening process
  HINT: do they run credit checks, call employers and prior landlords, do they ensure rent is no greater than 33% of gross monthly income
- Who does the maintenance (in house or contractor)
- How much for leasing fees
- How much for management fees
- List of typical service fees (lock replacement, snow removal, eviction)
- Software used for updates and statements
- Sample contract
- Sample monthly income statement
- Two or three investor references
Property Management and Tenants
~ continued

Tenants
☐ How many occupy the property
☐ How long are leases
☐ Have they ever been behind or late
☐ Were they screened
(payroll receipts/credit check)
☐ How much is security deposit

Legal
☐ Title Insurance
☐ Clear of liens

Once you have completed your checklist you should feel more confident in purchasing your new investment property. Remember, understanding your market and getting answers to the right questions will help you build a successful real estate portfolio. As always, situations or issues not on this checklist may arise, but the more you know about your property and who you are working with will help you to address whatever may come up.
